PURCHASE AN A-TURF FIELD AT A LOW-BID PRICE WITHOUT THE HASSLE OF THE LOW-BID PROCESS OR CHALLENGES OF AWARD TO THE WRONG CONTRACTOR.

You can get the industry's best turf surfacing system through a nationally-leveraged purchasing contract with National Joint Powers Alliance® (NJPA). This is a municipal national contracting agency that has awarded a purchasing contract for Athletic Surfaces that you can use – which satisfies your local bid requirements – to purchase an A-Turf athletic field. This contract is AVAILABLE TO ALL PUBLIC ENTITIES – from schools to park districts – simply by becoming an NJPA member at no cost, obligation or liability.

FACT: NJPA membership enables you to buy from A-Turf at competitive bid-level prices.

NJPA is AVAILABLE TO ALL PUBLIC ENTITIES – from schools to park districts throughout the United States. This is not going “around” your bid process. NJPA already went “through” the required bid process.

BENEFIT: NJPA contracts save you and your entity considerable time and money.

NJPA members purchase products and services at a reduced cost through contracts without duplicating their own competitive bidding process and requirements, because NJPA has already nationally solicited, evaluated and awarded contracts through a competitive bid process.

ACTION: It takes only minutes to complete a no-cost, no-obligation, no-liability NJPA membership.

Nearly 90% of members joined through an online application. You'll receive your NJPA member ID # electronically within 24 hours.
