Best Value | Fairest Price | Easiest Process

PURCHASE AN A-TURF FIELD AT A LOW-BID PRICE WITHOUT THE HASSLE OF THE LOW-BID PROCESS OR CHALLENGES OF AWARD TO THE WRONG CONTRACTOR.

COSTARS is the Commonwealth of Pennsylvania's cooperative purchasing program and serves as a conduit through which registered and eligible local public procurement units and state-affiliated entities (Members) – from schools to park districts – are able to leverage contracts established by the Pennsylvania Department of General Services to cost effectively and efficiently purchase the industry's best turf surfacing system.

FACT: COSTARS membership enables you to buy from A-Turf at competitive bid-level prices.

COSTARS is AVAILABLE TO ALL PUBLIC ENTITIES – from schools to park districts throughout Pennsylvania. This is not going “around” your bid process. The Department of General Services already went “through” the required bid process.

BENEFIT: COSTARS contracts save you and your entity considerable time and money.

COSTARS members purchase products and services at a reduced cost through contracts without duplicating their own competitive bidding process and requirements, because DGS already nationally solicited, evaluated and awarded contracts through a competitive bid process.

ACTION: It takes only minutes to complete a no-cost, no-obligation, no-liability COSTARS membership. Go to our web page aturf.com/purchasing-programs ... and click on “learn more”.
